

3 Food Safety Congress

www.foodsafetycongress.org

Dear food safety friends,

We set out to raise the bar for 3rd Food Safety Congress that we organize for two years with the collaboration of IAFP (International Association for Food Protection) and with the support of Food, Agriculture and Livestock Ministry.

Congress has become an important meeting point that shared experiences and acquired information for everyone who is interested in Food Safety directly or indirectly. This situation makes us extremely happy and increasing our responsibility as well.

We will have a chance to exchange the ideas with the leading experts of Turkey and world and follow their presentation about different approaches of food safety as legislation, relationship with the European Union, science, technology, public health and communication via media. We will also have the opportunity to meet many people and communicate with them, discuss our problems and find common solution.

Food Safety Congress will be an important meeting point not only for our country, but also for neighbour countries in our region. Besides the scientific program; industrial partners will have opportunity to strengthen their cooperation.

“Food Safety is our joint responsibility.” So we are honored to invite you to the “3rd Food Safety Congress” to discuss the problems about food and develop solutions together. We look forward to your honorable participation.

Hope to meet you on May 3 - 4, 2012.

Samim Saner
Food Safety Congress
President

CONGRESS VENUE

MILITARY MUSEUM AND CULTURAL CENTER

This historical building was built as Military College in 1841 and renovated during the mid 1980's. The building has now become one of the country's most elegant cultural centers, with high ceilings and antique furniture from the late Ottoman period. The Harbiye Military Museum and Cultural Center is located in Conference Valley, Istanbul's foremost area of meeting venues and top hotels.
